Re: **Knights of Columbus Memorial Scholarships**

I am pleased to announce the re-establishment of our scholarship fund, the Robert C. Lindquist Memorial Scholarship Grant, that provides \$500 scholarships to catholic graduating high school seniors of Sacred Heart of Jesus Parish. One scholarship will be awarded annually but will only be given to each recipient one time. It should also be noted that the award is not based solely on grades and that other criteria are considered such as extracurricular activities and community involvement. They are competitive scholarships and the applicants must meet the following guidelines:

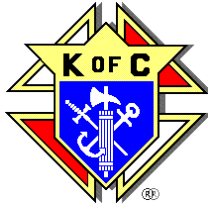

1. The recipients must regularly attend Sacred Heart of Jesus Catholic Church.
2. Submit all pertinent information to the scholarship committee (Complete the application form) no later than May 28, 2021 including two references.
3. Attend Sacred Heart of Jesus Catholic School at McClellan or an accredited institution of higher learning such as a public high school or private high school in Calhoun County.
4. Write an essay of between 300-500 words. The topic changes each year and this year's topic is included in this package.

The selection of the winning candidate will be made by June 11, 2021 with all applicants being notified shortly thereafter.
